

BASIC EKG ARRHYTHMIA INTERPRETATION

This AACN Contact Hour approved course is designed for registered professional nurses and other healthcare professionals who work in settings requiring cardiac telemetry. This course provides essential training and education in EKG Arrhythmia Interpretation needed by inpatient and outpatient health care professionals.

Introduction to Electrocardiography and analysis of rhythm strips is the focus of this class. This 3-day program is a core module in the Critical Care Core Course offered by the Continuing Education Department

Instructors:

Laura O'Brien RN, MA, CCRN, CS
A cardiology clinical specialist, Laura teaches with a special flair that includes active participation and clinical experience.

Mary Ellen Cafiero, RN, MA, CCRN, GNP is a critical care educator and geriatric nurse practitioner.
