

## AIDS in the 21st Century

Care and treatment of AIDS and HIV has changed dramatically with increased hope for a longer and more productive life. This NYSNA contact hour approved workshop will provide information about the newest medication protocols and the latest research in monitoring, compliance and care. Since so many AIDS patients are also drug users, methadone maintenance information is essential.

### Faculty

**John Conry, Pharm. D** is a Clinical Professor at St. John's University, College of Pharmacy. He also is the Clinical Coordinator for the Ambulatory Care AIDS Program at the Peter Krueger Clinic at Beth Israel. Additionally he devotes time to the Mapplethorpe Treatment Facility as a Clinical Pharmacy Consultant. His teaching expertise is renowned and has been awarded teacher of the year multiple times.

**Val Bonneli Jr. RPA, CASAC—** Methadone Maintenance Program He is the chief physician assistant and national expert in methadone maintenance and excellent teacher.
